Melody Design & Office jsou pohodlná pracovní křesla, která jsou však zároveň designovými skvosty. Jakmile lokty spočinou na opěrkách a vy se zaboříte do křesla, pochopíte, jak to designér myslel.

Melody Design & Office are a highly comfortable daily chairs that are also a design gems. As soon as you put your elbows on the armrests and sink into the chair, you'll understand the designer's intentions.
